Through the end of July, 58% of the year has gone by and our pledges have totaled \$84,324.69. This amounts to almost exactly 50% of the goal set at our annual meeting: \$169,000 over the course of the year.

We have some planned expenses coming up, including repairs to Trinity Church. I anticipate additional pledges coming in before the end of the tax year, but this is a good time for each of us to review what we had pledged for the year and where we each stand. -- Scotty
