Calling All Cooks, Servers & Kitchen Helpers!

The Military Retreat at Gravatt will soon be here, which means it's time for us to put on our aprons and serve up some good old-fashioned hospitality!

Our regular Friday-night crew isn't able to help this year, so **we need a new team of willing volunteers to step into the kitchen.** Don't worry, no fancy culinary skills are required! Our menu is usually something easy and crowd-pleasing, like spaghetti or chicken Alfredo with salad and bread.

Dinner is at 6:00 p.m., and we'll gather earlier to cook, prepare, laugh, and probably taste-test a little along the way.

Whether you're a great cook, an excellent salad tosser, a champion bread arranger, or simply willing to pitch in, **there's a place for you!**

Please let **Mother Lathrop** know if you can help. Let's put together a great crew and make Friday night at the retreat something special!

AREA CHURCHES TOGETHER SERVING

Women in Unity.

Thank you for stepping up and helping out as Women in Unity, however; They still are facing a temporary funding gap until their grants renew in the new year. Their shelves are empty not because donations aren't coming in, but because they cannot afford to purchase food and supplies. A financial gift right now will keep their programs running and ensure families in Edgefield don't go without support. Donations will be collected through the end of the year. you may mail them to the Church at:

Episcopal Church of the Ridge
PO Box 508

or

place your donation in an envelope and place it in the collection plate on Sundays.
Our treasurer will insure your donation goes to the right place.
Thank you in advance for taking care of your community and each other!

Take ECoR Flat Jesus on Your Summer Adventures!

On the Sundays we are at Trinity, right after church, we'll have everything you need to create your very own **ECoR Flat Jesus**—a fun, meaningful way to stay connected as a church family throughout the summer. Miss Nikki will also continue to bring EcoR Flat Jesus materials for the children to make during Sunday School!

Inspired by the classic children's book *Flat Stanley* by Jeff Brown, where a boy becomes flat enough to travel the world by mail, our **ECoR Flat Jesus** invites us to remember that Jesus goes with us wherever we go. And along the way, we get to share our adventures with one another.

How It Works

Color your ECoR Flat Jesus and take him along as you enjoy your summer. Snap photos of him joining you in all kinds of moments:

- Sharing a family meal
- Watching a movie
- Relaxing at the beach or hiking in the mountains
- Hanging out with siblings or friends
- Visiting new places on your travels
- Or simply being part of your everyday life

It's a joyful reminder of Christ's presence with us—and it may even spark a conversation with someone curious about what you're doing and why.

Share Your Adventures

Send your ECoR Flat Jesus photos (with a brief description) to **Mother Lathrop** at:

churchoftheridge@gmail.com

864-497-3205

She'll share them on our social media and pass them along to Muffy for our publications. If you post your own photos, please use **#ECoRFlatJesus** so we can all follow along.

Studying the Saints

Our Monday Night Zoom Study Group starts again on September 21st. We will study the saints, focusing on American saints, although we will explore other saints as well. During the month, we will focus on the saints who are on the calendar for that month. Mother Lathrop will begin each night with some information from Lesser Feasts and Fasts and other resources. She encourages you to take the time and do some research on your own and bring an interesting fact, something you didn't know about the person, a fascinating story or anything else you find out about the saint.

The most up to date list of all the Lesser Feast and Fasts is found at Lesser Feasts and Fasts. All the major Saints, such as the disciples as well as major feast days, are listed in the monthly calendar:

Liturgical Calendar for 2026. The beginning of the Book of Common Prayer in the Calendar of the Church Year section is also a good resource.
